THE INDULGENT SECRETS OF THE WORLD'S SUPER MANSIONS

By [Carla Passino](#) 

Chateau La Colombie, Lot et Garonne, France

This magnificent chateau, which dates back from the 13th century, has been entirely renovated to suit contemporary living and, among its many amazing features, it boasts a Jacuzzi with a view set at the top of a turreted tower overlooking the estate. The property, which has a stunning 70 square metre master bedroom with fireplace, also comes with state of the art kitchen, medieval dining room with stone fireplace, a heated swimming pool and a sauna. Through [Home Hunts](#). For more properties like this, visit the website of our sister magazine, [Country Life](#).
